

The bible is God's word and the supreme authority over an individual's life whom has committed their life to believing in God and His word. The bible is very clear on the issues of vaccination and the following is a non-exhaustive list of bible citations by book, chapter, and verse that lend credibility to the religious freedom afforded God's people to refrain from vaccinating their children. At the end of this profession of faith is a list (non-exhaustive) of academic references regarding the use of aborted fetal tissue in vaccines.

The book of 1 Timothy chapter 5 verse teaches believers that children are a gift of God. Vaccines are derived from the cells of aborted children. This is unacceptable as God....."knit us together in the womb".....(Psalm 139:13-18) and we are made in the image of God. (Genesis 1:27)

Jesus warned His followers, Luke 12:54, "When you see a cloud rising in the west, you say at once, 'A shower is coming.' And so it happens. And when you see the south wind blowing, you say, 'There will be scorching here,' and it happens. You hypocrites? You know how to interpret the appearance of earth and sky, but why do you not know how to interpret the present times." The evil inherent in vaccinations is warned about (among many other things) and a sign of the times we live in. Planned parenthood has been trafficking body parts to vaccine makers and biotech companies. (PP v. Daledein) Vaccine(s) utilize RX273 and WI38 which were derived from aborted tissue of human children.

Murder is against God's commands (Exodus 20:13 and Deuteronomy 5:13). Abortion is murder of those whom God has intended for good purposes (Jeremiah 29:11) for all of His creation and injecting murdered cells of children into another child with the purpose of making them sick is abominable in the sight of the Lord. Additionally, there are chemicals as well as animal cells in the vaccinations which goes against the cleanliness outlined in the Book of Leviticus (c11-18). Leviticus 20 outlines the punishment for child sacrifice and is a command from the Lord not to sacrifice children to the "god" of self for selfish purposes. God's commandments outline the covenant of God's people not to murder, and not to have other gods (including ourselves) before God. Use of vaccines is a tacit approval of the murders that were required to exact those vaccines, and their co-mingling with animal parts are unclean.

Government and people groups using killing children as a way to control the population is outlined in Exodus and the book of Mathew and is "abominable" in the eyes of God. Abortion is just such an atrocity and anyone with "eyes to see" can recognize the grievance that will come upon a nation who indulges in such "fornication". (see Hosea as well as the Book of Revelation 18).

The book of Genesis speaks of the perfection of God's creation and how He created us. After the fall of man through disobedience creation began to decay and everything will pass away, but God specifically prohibits harming or hurting oneself. (1 Kings 18:24-29, Deuteronomy 14:11, Leviticus 19:28).

Further the prophet Amos condemned the Ammonites for their "ripping open of expectant mothers in Gilead and child killing" (sacrificing to the God Molech) was one of the primary reasons God's anger burned against the Israelites and cast them out of the land and into captivity for 70 years (2 Kings 17:17-18). There is no room in a God fearing persons reading for

misunderstanding in the Bible as to what God says about vaccinating children, the production of vaccines, and the abomination they represent to God Almighty.

Deuteronomy 7 outlines what a chosen people are to do, and how they will be blessed. Specifically verse 15 states: “and the Lord will take away from you all sickness and none of the evil diseases of Egypt which you knew, will He inflict upon you, but He will lay them on all who hate you.

Matthew 9:12 When Jesus heard this, he said, “Healthy people don’t need a doctor—sick people do.” Utilizing an mRNA protein to stimulate being sick and trick the immune system is not an activity God would nor does condone. The body is intricately made in the womb and forcing a virus into the body (bypassing the normal systems of entry by nose or mouth) increases the damage to the body and the immune system intentionally and with purpose. While the spreading of a virus is a natural part of life in a fallen world a believer shall not seek out virus’ and disease and inject such things into themselves.

1 Corinthians 6:19-20 – “Do you not know that your bodies are temples of the Holy Spirit, who is in you, whom you have received from God? You are not your own; you were bought at a price. Therefore honor God with your bodies.” By the injecting of stem cells from either animals or humans into our body we are not treating our bodies as temples and it essentially cannibalizes human cells.

For these reasons We cannot condone the use of vaccinations.
